科目 社會工作直接服務（共4題，每題25分，計100分）

- 一 自我覺察於社會工作助人過程中的意義與作用  
試從社會工作人員面及案主面分別敘述
- 二 試以台北仁愛醫院邱姓受虐女童案為例說明社工人員介入的可能性
- 三 In creating more manageable ways of working with women service users, what do you think are the most important points to bear in mind when increasing resources for women and making our methods more gender relevant? How would you see these points turned into practical statements?
- 四 Consider a piece of social work intervention (placing a child with foster carers, assessing youth's needs or writing a report for court, for example). What elements of knowledge would be relevant to the situation you have chosen? What would you need to know?
